(“Hearing Tracker”). **By using this Website, you signify that you have read, understand and agree to be bound by this Agreement.** Your continued use of this Website following the posting of any changes to the Terms of Use constitutes acceptance of those changes. In the event of any inconsistency between the Hearing Tracker, Inc. Privacy Policy <http://hearingtracker.com/privacy> and this Agreement, this Agreement shall control.

We may revise the Terms of Use from time to time by updating this posting, with the new terms taking effect on the date of posting. ### Termination

Hearing Tracker reserves the right, in its sole discretion, to terminate your access to all or part of this Website, with or without notice. Examples of activity that may lead to a termination of your use of the Website include your breach of any of these Terms of Use.

### This Website Does Not Provide Medical Advice

All material on this Website is provided for informational purposes only. Inclusion of information on this site does not imply any medical advice, recommendation or warranty. Although the Website offers hearing aid reviews and ratings, and hearing aid dispenser (“Provider”) ratings, such information is not a substitute for the advice of a Provider or other appropriate health professional.

Hearing aid reviews are submitted by patients. Providers merely initiate the reviews by entering a patient’s hearing loss and device model. Providers are rated based on the reviews of the hearing aids they fit. For example, if a Provider fits one hearing aid and the patient’s review gives the hearing aid a 100% score, then the Provider’s score will also be 100%.

Hearing Tracker does not recommend or endorse any specific products (*e.g.*, hearing aids), tests, procedures, opinions or other information that may be mentioned on this Website. Hearing Tracker does not endorse any Providers advertising or listed on the Website, nor does it assume liability for credentialing such Providers. Reliance on any information provided by Hearing Tracker, Hearing Tracker employees or otherwise appearing on the Website is solely at your own risk.

While all attempts will be made to keep this site current, information may become outdated over time, or superseded by subsequent disclosure. This Website could also include technical or other inaccuracies or typographical errors. Hearing Tracker assumes no liability for the accuracy or completeness of, nor any liability to update, the information contained on this Website.

Information regarding hearing aid products on this website may be provided by a Provider, a patient or a user of the Website, and you should consider the source when evaluating such product information. Changes may be periodically added to the information and these changes will be incorporated in new editions of this Website.

### **Hearing Tracker Does Not Maintain Protected Health Information**

Hearing Tracker does not intend to maintain any protected health information (“PHI”) on this Website, as such term is defined by the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”). Providers initiating hearing aid reviews or providing other information to the Website agree to not upload any PHI. In the event that Hearing Tracker discovers PHI on this Website, it will be promptly removed.

Nothing shall be construed as granting you any license under any patent, trademark or copyright of Hearing Tracker or any third party. Certain portions of this Website contain information supplied and updated by third parties, or include links to third-party sites. Such third-party trademarks are used only to identify the products and services of their respective owners, and no sponsorship or endorsement on the part of Hearing Tracker should be inferred from their use. You are not permitted to use the trademarks displayed on this Website without the prior written consent of Hearing Tracker or the third party that may own the trademarks.

No Content may be modified, copied, distributed, framed, reproduced, republished, downloaded, displayed, posted, transmitted or sold in any form or by any means, in whole or in part, without Hearing Tracker’s prior written permission. You may download or print a copy of any portion of the Content solely for your personal, non-commercial use, provided that you keep all copyright or other proprietary notices intact.
